From (Name) M.R.Ry., N. Narayana Rao Garu, B.A., B.L., F.M.U.,

(Designation) Chairman, Municipal Council.

To The Secretary to the Government of Madras,

Local Self Government Department.

Madras.

Sir,

With reference to this office No. C.R.1285 dated 28-3-24, I have the honour to state, that when the Municipal High School was removed to the Town Hall Buildings during my predecessor's time temporary sheds for holding classes had been put up in the premises under his instructions at a cost of RS:175/-. The sheds had to be put up immediately and there was no time to obtain the previous sanction of Government to incur the expenditure. When the school was again removed to Dr. Narasimhulu's Buildings in December last, the sheds also were removed and the materials fetched a sum of RS:55-0-0 in the auction sale. I therefore request that the Government will be pleased to sanction the expenditure of RS.175/- incurred

the

the Municipality in erecting sheds in the premises of the Town Hall for holding classes.

I have the honour to be,

Sir,

Your most obedient servant,

Narayanakan

Chairman, M.C.

. Finance(Exp.)

In calculating the net cost of High schools borne by Government it is not usual to include the rent charges. An exception has however been made in the case of the Municipal High school Bellary. Recently Finance agreed to an increased rent of Rs100 per mensem being given for this school.

2. The Chairman has now applied for sanction of Government to an expenditure of Rs175 incurred by the Council in putting up certain temporary sheds near the Town Hall Of this expenditure, a sum of Rs55-4-0 has been realised by the sale of old materials and the net cost is therefore only Rs119-12-0. It is presumed that sanction has been asked for to incur the expenditure from Municipal funds. If so, (acceptance of Fin. Dept. ~~the proposal~~) necessary. Submitted that the L.S.G. Department may be requested to make it clear in the draft order that the expenditure is to be met from Municipal funds

In Fin. no. 2288 Exp. dt. 16.10.23 the Govt. agreed to take into account for net cost purposes the cost of expenditure on repairs to sheds holding that repairs are not improvements. The present expenditure is for erecting additional sheds for accommodation. As such it cannot enter into net cost & Fin.'s suggestion to amplify draft may be agreed to. Draft as amplified may issue
